

## Important message to all Team Contacts

Gentlemen, firstly many thanks for your participation in the forthcoming 2021 Lancashire Classic. Once again we have a full field of 45 teams, and thankfully all the restrictions which caused us to cancel the 2020 event have now been overcome.

We are now making final plans to get the four courses into their best possible conditions, get the complimentary beer organised, get Start Sheets published, and then welcome you to Penwortham, Fairhaven, Preston and St Annes Old Links golf clubs.

Though still not fully complete, this (linked) [Master Start Sheet](#) gives you detail of all teams and golfers, and from this you can deduce your likely opponents on days one, two and three.

Please note that the pairs for each team over the first three days of the tour are made up as follows:

- Day1 Penwortham – Players 1 & 2, Players 3 & 4
- Day 2 Fairhaven – Players 1 & 3, Players 2 & 4, and
- Day 3 Preston – Players 1 & 4, Players 2 & 3

If you are confused by this please check our website to see how the 'blocks' work.

Should you wish to take advantage of this information and re-order your team you can do this by reply email.

Also, the **main detail** we require by reply email is:

- Players names in full
- Their golf clubs
- Their CDH numbers

We're aware that Handicap Indexes fluctuate regularly and we'll gather these direct from England Golf; should you play a qualifier on Sunday 4<sup>th</sup> July please inform us of any changes at Registration.

Even if the attached data is correct for your Team (except for HI's) please acknowledge by reply email.

Handicap Allowances are only being agreed later this week, but in all previous years the maximum allowance has been 18, and this is likely to be the limit once more.

Start Sheets will be loaded onto the website when we've received all your replies

[www.LancsClassicGolf.co.uk](http://www.LancsClassicGolf.co.uk)

We look forward to seeing you all at Penwortham on Monday 5<sup>th</sup> July.

Best Regards

**Rick Woods & Chris Sumner**  
**On behalf of the Lancashire Classic Team**
